MOUNT CARMEL PU COLLEGE

Students are instructed not be present on campus beyond class hours on Weekdays and Saturdays. You can stay back on campus if there is any work (academics, co curricular , extra curricular etc) only if accompanied by the concerned lecturers (only till 5 pm on Weekdays and till 1.30 pm on Saturdays)

Beyond this the concerned lecturers & students have to seek special permission from the Principal in person (maximum upper limit is 5.20 pm) This permission has to be taken well in advance.

The concerned lecturer should be responsible to inform the parents of respective students about the same.

While staying back on campus beyond class hours ensure that students are in groups with the concerned lecturer.

Please note :

Coaching classes will go as usual. Lecturers coordinating with coaching classes have to be responsible for smooth functioning.
